

This is a project for young people in Medway, aged 11-18, to learn DJ, MC and production skills. We are looking for 25 young people to get free training and then visit Medway Schools and youth clubs to train other young people.

If you get accepted, you will completed 10 hours of training with professionals and get to use some of the latest Music Technology Equipment.

Fill in the application form below and email to dan@trainingthemlive.co.uk or post to Training Them Live, Greenacre School, 157 Walderslade Road, Walderslade, Kent, ME5 0LP. Call 01634 861593 x 240 with any questions.

Application form

We plan to put together a team of 25 from Medway to learn the skills needed to create Urban music. They will learn how to DJ, MC and produce their own tracks using the latest equipment and Music Technology. They will then teach other young people.

Your name		
Parents name		
Home address (inc postcode)		
Your mobile/contact number		
Your email		
Home phone		
Date of birth		Male/Female
Any medical issues?		

Which part of the workshops are you most interested in? (tick as many as you like)	
DJ	<input type="checkbox"/>
MC	<input type="checkbox"/>
Production (using computers to make music for MCs)	<input type="checkbox"/>

The students that are allowed to be a part of this project will need to learn quickly and be able to explain how to use the equipment to other students in Medway. There are only 25 places for the whole of Medway, so we need to be sure that you can give up some of your time each week to help others.

Explain why you should be considered for the project?
